Oualid Fauzi

Retail sales professional · game development, AI and 3D printing

Location	Bonn, Germany
E-Mail	oualidfauzi@hotmail.de
Work	oualid.fauzi@telekom.de
Web	oualid.de
LinkedIn	linkedin.com/in/oualid-fauzi
GitHub	github.com/Marmelade1357

By day I advise customers at Telekom in Bonn; in the evenings and on weekends I build things: board and card games as browser games with their own servers, 3D web apps and, right now, my first big game in Unreal Engine. My pattern: I read up on new topics quickly and then dig in until something finished comes out of it.

EXPERIENCE

Jan 2022 – present

Retail Sales Professional (Kaufmann im Einzelhandel)
